

[Hibernation Activities for Preschoolers](#)

After we [explore snow and ice](#), we start finding **hibernation activities for preschoolers**. We learn what animals do during the winter, that bears sleep a lot in caves. We also tie this in with our [day and night theme](#), having a pajama day. I've put together this collection of hibernation activities, crafts, snacks, songs and books that you can use in your preschool classroom or homeschool.

Make sure you are following our [winter Pinterest board](#)!
