Books

I am often asked what my favorite books are, so I put together this handy one-stop resource of books for parents, teachers, caregivers ... anyone with young children in their lives!

This page contains affiliate links.

Learn with Play

A giant collection (150+ activities) of hands-on kids activities. Perfect for teachers, caregivers, parents, babysitters, and anyone with babies, toddlers, and preschoolers in their lives!

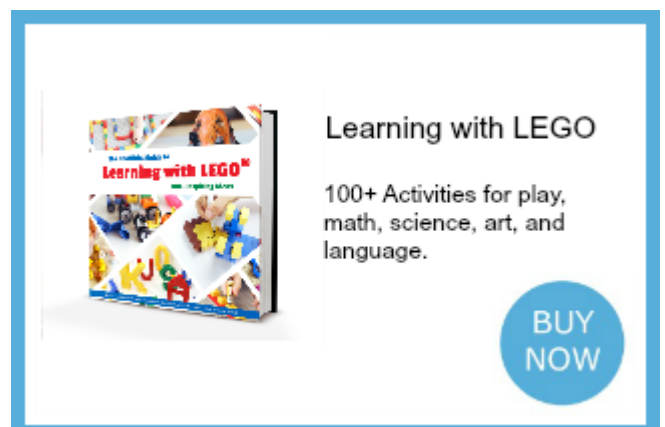

Find out more about [Learn with Play](#) or for only \$14.95 you can [buy it now](#).

The Unofficial Guide to Learning with LEGO®

The Unofficial Guide to Learning with Lego® brings you over 100 awesome Lego®-based ideas that are perfect for educating in the classroom and at home. The book starts with the basics like learning colors and counting, all the way up to engineering and other STEM topics. (You might recall how we used our Duplo bricks in a STEM construction activity last year.)

The Toddler Journey

Looking for creative ways to keep toddlers busy? Here are 100 fun and easy activities toddlers will love. If you are a parent, grandparent, or caregiver to toddlers, THIS is the book for you.

Find out more about [The Toddler Journey](#) or for only \$9.99 you can [buy it now](#).

Play: Playful Activity Plans for Your Busy Toddler

35 hand-chosen activities that you can actually do with your toddler. You'll be guided on how to find that extra 15 minutes (that you don't have) to make time for the most important part of your life: your family.

For only \$9.00 you can [buy it now](#).

The Preschool Journey

This resource will ease your worries and help you prepare your child for kindergarten. This 160 page preschool curriculum includes detailed explanation of what to cover in preschool, 26 weeks of hands-on lesson plans, and 50 pages of printables. This can be used as curriculum for homeschooled preschoolers or as supplemental activities for a child who attends school.

Wardrobe

I love to feel good in what I wear, but as a teacher I also need comfort. I was introduced to Stitch Fix and I cannot say enough about how wonderful they are! You tell them your style and they send you a box of clothing. If you don't like it, you simply send it back. I chose to be an affiliate for Stitch Fix because I love them that much! I thank my co-teacher for getting me hooked up with them!
